Please *read* this side of the form, and *complete and sign* the reverse side. Return this form with your registration information.

We are an equal-opportunity service provider. We only use designated trails and areas normally open to vehicular access.

GENERAL VEHICLE REQUIREMENTS

Fully insured, street-legal, 4-wheel-drive vehicles with a *low-range transfer case* and reasonable ground clearance are required, except as noted in the trip descriptions. Stock sport utility vehicles or pickup trucks in good mechanical condition are encouraged, and generally, modifications are not required. All-wheel-drive, sedan, or van-type vehicles and towed trailers, regardless of design, are not accepted unless noted.

For all trips, you must have: drinking water, CB radio (27 MHz type--not FRS), spare tire and equipment to change it, working seatbelts, windshield wipers/washers, yank strap, metal top or roll bar, trash bag, toilet paper and shovel and other equipment as noted on our Vehicle Self-Inspection Form.

Most-difficult (black diamond) trips may require vehicle modifications.

BASIC TOUR POLICIES

Camping trips require self-contained camping gear plus food and drinks. See the *REQUIREMENTS* section of each trip description for additional stipulations. You should be prepared to operate on your own.

All furnished accommodations and meals are based on double occupancy. Single travelers pay the same rate.

We reserve the right to screen and reject any reservation or participant, prior to, or while on a trip, for incompatible behavior.

Due to the expeditionary nature of our tours, the exact accommodations, meals and itinerary may change. Every effort is made to conduct the trips exactly as presented, but that is not guaranteed. When changes are made that affect trip cost, additional fees may be requested or partial refunds issued for the change in service.

FORMS

A SEPARATE REGISTRATION/LIABILITY form must be completed and submitted by every participant, regardless of age. A completed **VEHICLE SELF-INSPECTION** form for the vehicle and this **TOUR POLICY** form are also required from the primary registrant.

RESERVATIONS, FEES AND REFUNDS

You may reserve with (confirmed) or without (unconfirmed) a deposit. A preliminary information packet will be sent out. Several weeks before the trip, confirmed reservations receive a final trip information packet. Full payment is due *before* the final information will be sent out.

Deposits and fees are specified in the trip descriptions. Deposits and trip fees are **NON-REFUNDABLE regardless of reason**, partial or nonparticipation. A full refund and apology are made for trips canceled by us. A partial deposit or trip fee refund may be made, less a \$25 cancellation fee, for trips canceled by you, in writing, and filled by another guest. Deposits and trip fees *may* also transferable to other trips (less the \$25 cancellation fee) within the same year as your original booking date.
